About SUEPO

SUEPO (Staff Union of the EPO) has been an independent Trade Union of staff since 1979. Thanks to its many members, it has the financial means to maintain an extensive network of experts and lawyers. This allows SUEPO to support staff in all work-related issues, give professional legal advice, and provide financial support for legal disputes in hardship cases. In cases of injustice, SUEPO has demonstrated, over decades, to be a dependable, persistent, and courageous partner. By acting as a watchdog, SUEPO helps the EPO to become a better organisation.
